DEBATING DE-FEET

Dear *Voluptuous*,

I just wanted to drop you a line about the Sept. '09 issue. Letter writer A.L. from Italy raised the question of bare feet and I have to admit that I think he has a point. I'm not a foot fetishist or anything, but I've always felt that it looks silly for the girls to strip down and keep their shoes on. I don't know anyone who gets into bed wearing shoes. It looks much more natural to be barefoot. After all, isn't V-mag billed as "All-Natural"?

Month after month you guys are doing great work, but Sept. '09 really stands out. I'm guessing that Selena Castro is the girl whose sister (Angelina) posed for *SCORE* and who sent in test photos of her mom. If beauty like this runs in the family, I can't wait to get a good look at her mom!

And then Bailey Santanna...wow! She is the greatest girlfriend of all time. I am totally in love! What's not to love about a Star Trek nerd? Next time she comes home to Minnesota, tell her to look me up. I'd love to show her my Trek library with every episode and every movie. I'd also love to show her my "captain's log" and have her beam me up!-J.K., Minneapolis, Minnesota

The big debate on models' shoes and feet rages on. What say you, boob men? Are you for or against shoes and soles?

Dear *Voluptuous*,

I couldn't let A.L.'s letter ("We're Too Focused On Boobs To Notice Feet") in the Sept. '09 issue pass without comment. I respect his viewpoint and his fetish but if he feels that strongly I'd suggest he's possibly reading the wrong magazine. *Voluptuous* is, and always has been, all about tits and ass. What A.L. has done would be like me writing to *Leg Sex* to complain that there aren't enough plumpers in the mag. Speaking of *Leg Sex*, I think it's a well-known fact that a lot of *SCORE* Group models are 'crossover' models-that is, their attributes are suited to more than just one title. I think, therefore, that A.L. could do a lot worse than write to *LegSex* and ask to see some of his favorite V-Mag girls flashing their little piggies. I know The Score Group likes to make its readers happy so this, to me, would seem the best course of action for the foot-fixated. Leave V-Mag to do what it does best-bring us the finest titties on planet Earth.

Which brings me to Bailey Santanna. Wow! I think I'm in love. The picture on page 32 of

Busty Bailey's love of *Star Trek* makes her a hit with men who like Sci-fi AND stacked vixens!

the Sept. '09 issue is quite simply the best photograph I've ever seen in V-Mag. For a long, long, long, long time Cherry Brady has been utterly unsailable in my affections but, finally, it looks as if she might have a rival. Bring back Bailey soon I beseech you. In fact, get her to do a column (she could write about the weather for all I care) and have her in every issue. She's mmm-amazing.-K.S., United Kingdom

BAILEY SANTANNA: EVERY GEEK'S DREAMGIRL

Dear *Voluptuous*,

The interview you had with Bailey Santanna was absolutely incredible! I've never read an interview with a model that was more candid. Her pictorial was incredible, too. Bailey seemed to ooze sexuality out of every pore in her body. In addition her photogenic qualities, she seemed to be a truly nice girl that any guy would give anything to have as a girlfriend. She was basically the girl-next-door. If she

modeled full time, I'm convinced she could reach the levels of a Sharday or Brandy Talore.

My favorite parts of the interview came when she said she liked regular guys and was a Star Trek and Star Wars fan. I've been looking for a girl who loves science fiction for years! Girls like that are rare. Girls with the incredible beauty of a Bailey Santanna who enjoy sci-fi are rarer still! My next enjoyable part of

the interview came when the interviewer asked her how she convinced a guy who was saving his virginity for marriage to have sex for the first time. Her answer: "I started taking my clothes off. That was all it took. I guess his convictions weren't that strong!" No, they were not. After seeing her naked, no man alive could resist her!

I only wish that the interviewer had asked Bailey when she had lost her virginity. That would have been a curious

A GUIDE TO TIT-FUCKING

Dear *Voluptuous*,

I had to write in and share a few words on how I like to tit-fuck so you guys can incorporate these into your shoots and videos with your models, especially newcomer Renee Ross.

The first is where my partner kneels on the floor and I stand in front of her and she licks and sucks the tip of my hard cock as it emerges from her cleavage towards her face.

The second is when I lie on the bed with my legs hanging off the edge while she kneels between my legs, tit-fucking my cock.

The third is where my partner lays on her back on the bed with me straddling her and tit-fucking her. She should be squeezing her big boobs together from the sides, not covering her nipples with her hands.

I also like a wet, sloppy blow job or

Dear B.C.: Thanks for your letter and the descriptive tit-fucking positions. We had a lot of fun finding shots to illustrate your vision for the perfect way to rack-ram a busty babe!

your June 2009 issue was the best concept in history! You knew who the best newcomers were and you put them together in an act of genius, back to back, I was enthralled Karina and Ashley! But then I started to wonder, why don't you sell calendars with these models? Not only would fans appreciate it but, if you can offer such things for free surely you can sell them for the price of a single issue. Based on the paper/magazine used it must be cheaper than an issue of *Voluptuous* alone. I bet if you sold Calendars of the winners of the Newcomer, Plumper, and Model of the Year you could make buttloads of money, or even put it up to a vote of a handful of calendars for viewers and subscribers to vote on so you didn't waste your time, you would have lots of very happy readers getting

Every year V-mag scours the States and goes to countries far and wide to find the freshest and most-fuckable tits to bring to you in every issue. Most of the time, the ladies we find have never posed before and are making their first-ever nude debut ANYWHERE right here on our pages. Why do we go to such lengths to bring you never-before-seen tit-flesh every month? Because just like you, we lust for mounds and peaks unseen and enjoy bringing them to you issue after issue. So peruse these 12 fresh-faced, full-titted newcomers in all of their glory. Think long and (get) hard before you make your choice and vote on the ballot on page three.

Sierra Skye

With her girl-next-door looks and her insatiable desire to diddle her box and pull her pink nips for you, Sierra Skye's debut in the June issue was a big hit with tit men. And H-cupper, Farrah Vancock won boob hounds over when she uttered the words, "If a man likes a big pair of tits, I can definitely get him off," in her debut layout in the August issue. But no newcomer made as big a splash as J-cup knockout, Renee Ross did when she unveiled her sweater puppies in the October issue. With her beautiful face and ripe tits, readers dubbed her the next, "Great One," and demanded to see much more of her!

INTERVIEW

**V-MAG
DEBUT**

**Jessica
Taylor**

Interview by **Maria Guerrero**

We recently had the pleasure of sitting down with E-cup newcomer, Jessica Taylor, a shy and quirky 22 year old from Southern California and we have to hand it to her, Jessica is pretty hot. Why is Jessica so smokin'? Because not only is she beautiful and has nice, full tits with pale areolae, but she is also totally unaware of how beautiful she is. She isn't one of those girls who knows she's hot. In fact, she is one of those girls that could hang out with a room full of guys and not have a clue of her affect on them. This redhead sat down with us after her first shoot ever and told us all about the world of online gaming, how she rides four-wheelers and **FLIPS THEM!** And about how she is just looking for a nice guy to take his time and give her a creamy tit massage. Yeah, she's **LOOKING** for a guy to touch her tits...a lot. Sounds like the perfect girl to us!

V-MAG: Welcome to *Voluptuous mag*, Jessica. We love redheads with big tits and newcomers, so obviously, we are very happy to see you today.

Jessica: And I'm excited to be here. Excited and nervous to be posing for the first time. Maybe more excited, though.

V-MAG: So where are you from?

Jessica: I'm from California.

V-MAG: Southern or Northern?.

Jessica: I'm from Southern California, near the Los Angeles area.

V-MAG: What do you do in California?

Jessica: Well, I actually have two jobs, but my main, day job is in construction.

V-MAG: Wait, did you just tell us that you are a construction worker? Okay, this interview just got really good.

Jessica: [Laughs.] Well, acutally, I am in charge of organizing contractors and making sure that they do what they have to do and get their jobs done. I work for a company that renovates repossessed houses. And if my guys give me a problem and tell me that they can't do something to get a job done, then I go in there and show them that I can do it. Like, I'll go in

Bare Facts

Age: 22 **Height:** 5'2"

Hobbies: Playing World of Warcraft online with friends.

Occupation: Construction Site Supervisor

there and tear drywall off the walls with crowbars and get dirty, but I get it done.

V-MAG: Okay, first of all, that's hot. You, tearing a house down with your bare hands, all sweaty and naked....

Jessica: I'm not naked...

V-MAG: Oh, sorry. When you said you go in there, we envisioned you naked.

Jessica: [Laughs.] That's funny.

V-MAG: Okay, now we have to ask you...what exactly does a busty babe like yourself wear when you go into a house and rip down walls and show these big, burly contractors how it's done?

Jessica: [Laughs.] Well, it's really dirty work so I usually wear jeans and a t-shirt and boots. Sometimes if it's hot, I'll strip my shirt off and just work in a sports bra.

V-MAG: And you're working around a bunch of construction types, right?

Jessica: Yeah, I work with carpenters, electricians, general contractors. A bunch of blue-collar type of guys.

V-MAG: And you don't think it's a little unfair that you expect them to do their job so that you don't have to come down there? Isn't that a little harsh of you?

Jessica: To expect them to do their jobs?

No, of course not. I wouldn't expect them to do anything I couldn't do.

V-MAG: No, what we mean is, if we knew that by slacking off a little on the job, our busty boss was going to come in and rip her shirt off and work practically topless, getting all sweaty, bosoms heaving, we might just take a nap and say, 'Wake me up when she gets here so I can get a good view!'

Jessica: [Laughs.] I never thought about it in that way before. Maybe you're right.

V-MAG: Of course we are. When you come on the job site, they stare at you right?

Jessica: Yeah, they do. But a lot of them are intimidated by me. Well, it goes one of two ways. Some guys are shy and intimidated and they do whatever I say and they won't look at me. And then some of the other guys try to challenge me by saying, 'Oh, I don't want a woman on my job site.'

V-MAG: Do they hit on you?

Jessica: [Laughs.] Um, not really.

V-MAG: Why? Are you wielding a hammer or something? What guy wouldn't hit on you?

Jessica: [Laughs.] Probably.

V-MAG: So you're working in a sports bra around a bunch of guys...and how big are your boobs, Jessica?

Jessica: I am a 36E.

V-MAG: Isn't it kind of hot there?

Jessica: In California? Yeah, it's hot.

V-MAG: So you have to be warm and relatively sweaty, right?

Jessica: Yeah, I get red in the face and I sweat a lot. It's not the prettiest sight when I'm drenched in sweat.

V-MAG: Isn't your sports bra getting wet and, like, see-through and stuff?

Jessica: Oh no, because I have to wear at least two. A regular bra and sports bra or maybe even two sports bras to hold my boobs in.

Sometimes they are full sports bras that look like a tank top. But even with all those bras I do still have about seven inches of cleavage, so yeah, the guys stop and stare.

V-MAG: And when they stare, how do you react to that?

Jessica: I just play it off like I don't notice them.

V-MAG: But you notice it, right?

Jessica: Yeah.

V-MAG: Do you want them to stare, Jessica?

Jessica: Um, I don't know.

I mean, I guess I do. I guess that it's just attention that I am used to because I have had to deal with it my whole life, so I know that

they are probably going to stare, but I don't know if I'm provoking it on purpose. It just happens.

V-MAG: And how old are you?

Jessica: I recently turned 22.

V-MAG: And when did you start to grow those ripe melons, Jessica?

Jessica: When I was about 12. I weighed about 98 pounds and I already had a DD-cup.

V-MAG: And you are tall, right?

Jessica: Nope. It's the heels. When I am in heels people assume that I am tall because I have big boobs and wide shoulders and a little waist. But, I am actually really short. I am only 5'2" without heels on.

V-MAG: So how long have you been in the construction business?

Jessica: About a year or so. Before that I was a waitress.

V-MAG: Now that brings us to job number two. What else do you do?

Jessica: On some nights I dance.

V-MAG: You dance...topless?

Jessica: Well it's actually kind of a conservative club,

"I want my tits to be lotioned up and kneaded and squeezed!"

so you only get full nude when the girls are on the stage but when we give lapdances, we're fully clothed. We give lapdances in full bikinis, tops and bottoms.

V-MAG: And what's the name of this strip club?

Jessica: It's Taboo. It is in Arcadia.

V-MAG: So you do construction and doing that, too?

Jessica: Yes. Construction in the days and I dance during the week.

V-MAG: Have you ever been on stage and had one of your guys from your construction site walk in?

Jessica: No, not yet, but I do get a lot of guys who come into the club who work in construction. They question me about it while I am dancing and they love that I work in the same field that they do. They kind of like that a girl like me can have big boobs and be a dancer but can also put up drywall and lay down tile at the same time.

V-MAG: How do you happen to tell them that you are in construction?

Jessica: They usually ask me if I'm working the next day or if dancing is my only job and I tell them what I do for a living. I only dance a few nights a week.

V-MAG: They must love that. But your guys, your contractors, they don't know that you dance, right?

Jessica: Actually, I think that some of them do know that I dance.

V-MAG: How do they know?

Jessica: [Laughs.] I told them.

V-MAG: And they don't come to your club and watch?

Jessica: Well, at the end of the day, I am their supervisor. I mean, I sign their checks and I work in our main offices. They treat me with a lot of respect.

V-MAG: That's mind-boggling. I guess since you are their boss...

Jessica: Yeah, then they would probably hit on me all the time.

V-MAG: So since you do construction, would you say that you are a little bit of a tomboy?

Jessica: Totally. I like being one.

V-MAG: What kind of things do you like to do that make you a Tom boy?

Jessica: Well, the day before I came to model, I was riding my four-wheeler and I actually flipped it. I went into a jump and I cleared about five to eight feet and my tires hit the ground and I landed just fine, but I tried to go into a slide and I just rolled and the quad rolled with me. But it was okay. I got up and went home. Live to ride another day.

V-MAG: Wow! Now, the thing is, at first glance, you look very girly.

Jessica: [Laughs.] I'm not.

Big-Titted Teen Nympho!

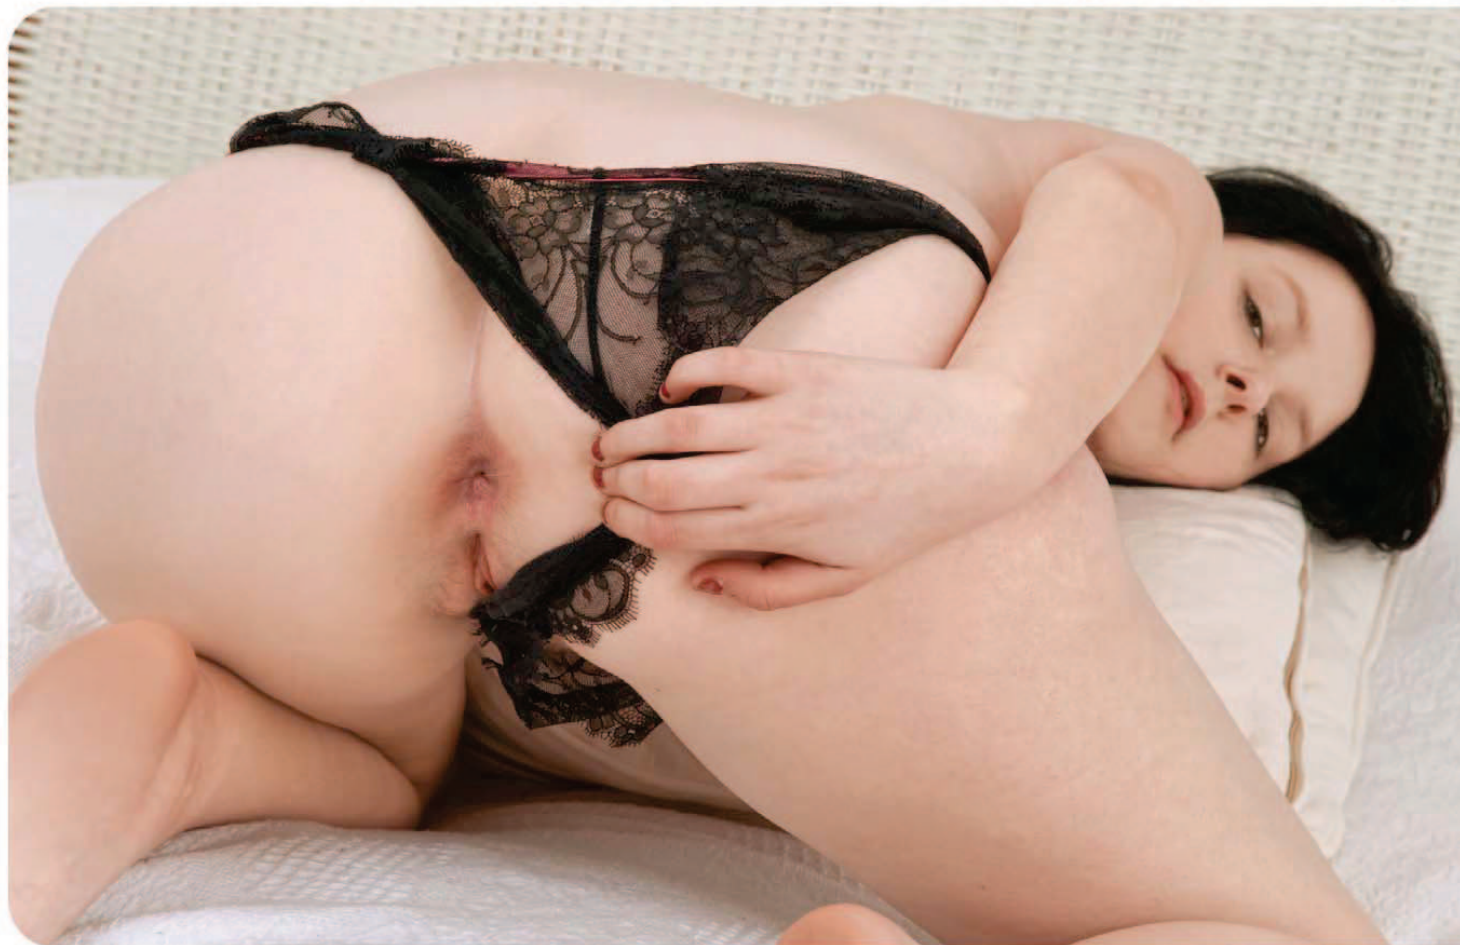

**V-MAG
DEBUT**

Meet Nadia, a very naughty teen from Northern Ireland who confessed to us that sometimes, her libido gets the best of her. "I had sex with a stranger in the back of a cab two days ago. I didn't even catch his name!"

This F-cupper with perky pink dugs enjoys nights out on the town at the local pub but doesn't mind spending time outdoors, too. And by that, we mean, she doesn't mind taking some pipe on a street outside of a club. "It's fun to get tarterd up and get into some trouble with some of the local lads. I'm always so horny, so I've got to find a real man every night to satisfy me. I'll find one at a club or pub and I'll fuck him that very night, sometimes outside in the alleyway because I can't wait to cum and cum. People have caught me fucking before, like in a washroom or inside of a car. But I think it's exciting to get caught. I just blow them a kiss and pull on my hard nipples while they watch."

Bare Facts

But nights out aren't Nadia's favorite recreational activity. She actually prefers nights in. "I love to wear sexy, silk lingerie and stay home in bed all day watching dirty movies and playing with my big tits and rubbing my pussy until I cum. I love porn! I like to watch lesbian porn and rub cream into my titties and on my clit over and over."

**"I fucked
a stranger!"**

Alanna Ackerman

Alanna is no stranger to hardcore and she loves to have sex in front of a camera. She has starred in some raunchy classics like *Hooter Hospital*, playing the part of a big-boobed cock caregiver and in *Big-Boob Squealers* draining some tube steak with her boobs and tight snatch. But what's her ultimate fuck fantasy? To fuck a complete stranger, of course.

And who could deny Alanna or her DD's pleasure? "I recently made my fantasy come true when I fucked a stranger I met at the mall," she said. "We kept checking each other out and finally I just walked up to him and told him, 'So, are we going to fuck or what?' And we did!"

So it is that time of the year again. A time when big-boob lovers pause to look back at all of the beauties featured throughout the year and pick from the multitude of boobs finest, one shining star to rise above the rest. Yes, it is time to elect the Model of the Year. and although we are big-boob aficionados here at V-mag, we could never take on the task of picking the cream of the crop without you, our readers.

A photograph of Gabriella Michaels in a red bikini, posing in a room with red curtains. She is lying on her back, with her legs raised and bent, and her hands resting on her hips. She is looking towards the camera with a smile. A framed picture of a flower is visible on the wall behind her.

Sabina Leigh

Janet Jade

We receive a lot of fan mail throughout the year, but one lady who generated droves of emails and even bags of snail mail was the one and only Sabina Leigh. "Sabina is the kind of woman you could fall in love with," writes reader J.T., from Manhattan, New York. "She's like the horny girl next door." Another model who caused a big-boob lover frenzy is mocha-mammed cutie, Janet Jade. One reader said, "Janet Jade is perfect. Great face, hot ass and a pair of tits to die for." But readers were most impressed by the return of Natalie Fiore in the October issue because she came back with even bigger tits, going from an F to a G-cup!

that are going to be tough to
beat this year...unless your
name is Karina Hart! Making
her triumphant return after her
2008 Newcomer of the Year
win, Karina says she's just
happy to be nominated. "I
was so surprised and happy to
win last year that to be up for
this award now, with 11 other
beautiful women, is such an
amazing honor for me."

Karina Hart

Brandy Talore

Sunny Dee

Fans of G-cupper and first-time nominee Sunny Dee were ecstatic to see her return in the September issue and vowed to vote her to a Model of the Year win. "She looks like she's sweet," raved reader D.S., from Tucson, Arizona, "but I think she might be one of those girls who is horny all the time." And also making her contest debut is Skarlett, a Brit with FF-cups who has been in V-mag three times since 2007. Although these ladies' gratuitous boob flesh scores big points with fans, it will be hard to dethrone 2008 Model of the Year, Christy Marks, who some have nicknamed, "The Great One." She will be tough to beat this year! We can't predict who will come out on top, but we do know it's going to be a tight race.

what they want. I love your magazine, and XL-Girls, too. If you even published this letter and let V-mag viewers and subscribers respond I bet you'd be surprised at how many would love the idea! Wouldn't you yourselves be happy to wake and stare at the glory of the V-Women/Models you feature? Damn! I am with Karina. Think about it, please.—A loyal fan and subscriber

Dear Voluptuous,

I have never written in to your magazine before, but I had to when I noticed your Karina Hart calendar hanging on my buddy's garage wall. What a stone-cold fox she is! I mean, she is the most-perfect woman I have ever seen. She has curves and a face that belongs on an angel from heaven. I have to ask you guys, where can I get my own calendar? Or maybe one of Latina hottie Selena Castro.—H.K., Brooklyn, New York

Dear Loyal Fan and H.K.: Thanks for your suggestion about custom calendars featuring different V-girls. We would like to hear other V-mag readers' opinions on this topic, too. And H.K., you can get your hands on a Karina calendar of your own by turning to the back issues ad on page 10 and ordering a copy of the Feb. '09 issue.

RENEE ROSS IS THE RACK OF THE CENTURY!

Dear Voluptuous,

In my opinion, Renee Ross is the greatest newcomer ever. She is an absolutely gorgeous, awesome blonde with huge boobs and likes to laugh. Perfect! Just got her first video and looking forward to a lot more.

Some other, very good newcomers you've featured lately are Michelle May and Ashley Sage Ellison.

Besides these ladies, I also appreciate a lot BBW African-American models like Shar Nitzapanus, Simone Fox and Summer Lashay. Maybe you could convince Jenny Hill to come back, too.

Thank you for the very good work and please keep it up.—Christian from Belgium, via the Internet

Dear Voluptuous,

I don't know how you guys do it, but boy am I glad that you do! How did you

**It's always the
quiet ones who
crave cum!**

Dallas Dixon is one of our favorite types of V-girls. The type that seems quiet and shy at first glance and then turns out to be hot and ready for whatever you want to do in the sack. In fact, this seemingly reserved lady will probably hit on YOU and try to get you into the sack first!

**Dallas
Dixon**

"I think men like women who are sexually assertive. You know, a girl who knows what she wants and isn't afraid to reach out and take it. They find it refreshing. I prefer to come on to a man and sort of shove my tits in his face and whisper something like, 'Why don't we go somewhere and get naked.' They love it and so do I!"

Bare Facts

Dallas Dixon

Rated and available online

And Dallas likes to keep things hot and heavy in the bedroom. "I like to watch videos of myself masturbating or I'll play my scene from *Hooter Hospital* for a guy. Men like that I have this wild and horny side to me and when they realize I am a porn star they can't wait to fuck me!"

**"I'll wear
kinky
costumes
for you!"**

When Bailey returned in the Sept. '09 issue and landed the coveted spot of cover girl, she had no idea the response that she was going to get from horny boob men everywhere. But they flocked to this blond stunner and her GG cups like

moths to a flame because they says she's a geek's dream girl cum true. Known to love *Star Wars* and *Star Trek*, Bailey enjoys dressing up in costumes for her geeky boyfriends and role-playing in the bedroom, too.

Bare Facts

Bailey Santanna

Birthday: September 25, 1979

Age: 30 **Height:** 5'4"

Weight: 155 lbs. **Bra:** 36GG

Measurements: 44-34-38

Lives: San Francisco, California

Previous *Voluptuous* Appearances:

September '09

Occupation: Clothing Designer

"I design and sew my own costumes, so it's easy for me to dress up as a guy's fantasy woman," she said. "The guys that I date are nerdy, comic-book types and like me to dress up as anime or sci-fi characters. Guys seem to have a thing for the whole Princess Leia thing, too. I don't mind, I love playing dress up."

And just how far is Bailey willing to go to keep the fantasy going? All the way! "I'll wear a different costume every time I have sex. If that's what it takes, then I'll do it. I am a giver and I don't mind doing whatever it takes to keep a man satisfied."

2009's *Hootered Heavyweights!*

Our biggest and bustiest
babes battle it out, but there
can only be one winner!

Scarlett Rouge

Like the Model and Newcomer of the Year categories, the competition for Plumper of the Year is fierce! 12 of our sexiest big and built babes are battling it out to be the number one and with curves like theirs, the voting is bound to be tough for our readers and these thick chicks are bound to run neck-'n-neck until the final ballots have been counted. One candidate who's making waves is newcomer Scarlett Rouge. Debuting in the November issue, her full and E-cup boobs make her a heavyweight contender in this category. Two other strong contenders are Valeria from the October issue and Scarlett's costar in *Sex in the Titties*, lush Latina, Haydee Rodriguez.

Valeria

Haydee Rodriguez

Annemarie

Tipping the scales in her favor is horny Czech housewife, Annemarie who debuted in the August issue. Why is she a fan favorite? She's sporting heavy H-cup cannons and has a hearty appetite for anything sexual. "I like to make the sex a lot," she said with a heavy accent. And who wouldn't want to make the sex with her, eh? Another fan fave is fresh-faced Hillary Hooterz, V-mag's December cover girl. With her combination of girl-next-door looks and penchant for raunchy three-ways, she is favored by tit-lovers near and far. But which plumper is packing the most bounce per the ounce? May issue's Shar and her perfect PP-cup puppies. Yes, she has PP-cup tits! Her tits go on for days!

**Bailey
Santanna**

A close-up photograph of Samantha. She has short, blonde, wavy hair and is looking directly at the camera with an open-mouthed expression. She is holding a thin orange strap across her chest. The background is a solid blue sky.

Samantha

When Maria Moore returned to V-mag after a long hiatus in the September issue, readers went wild because she packed on some pounds and her tits measured an enormous 36J! She's a fore-runner in this race but she will face some stiff competition from newcomer and fan-favorite Bailey Santanna who was the cover girl of the September issue. But fans of both ladies are going to have their work cut out for them come voting time because plumper legend Samantha not only has a legion of loyal fans who might take her all the way to a win, but she also recently swept *XL Girl's* 2009 Model of the Year contest, too!

Suga Squirtz

Nina Star

Suga Squirtz unleashed her F-cup guns in the October issue and Nina Star's G-cup tits with their large, brown areolae made quite a splash when she came out as June's plumper rookie, but both these ladies will have a hard time unseating reigning Plumper Queen, Sapphire. Sapphire holds the Plumper of the Year title for 2006, 2007 and 2008 and there are rumblings that she may take it again, for the fourth year in a row. Only your votes will tell!

find newcomer Renee Ross? She is a total 10! A 100 percent knockout that I am sure is going to become one of the great V-mag legends. What a face and what amazing J-cup tits. I would love to be smothered by them. I am one of those guys that likes my ladies busty and full-figured and Renee totally fits the bill. Not only does she have a great smile, but she looks like she is a natural in front of the camera. I can't believe that you guys found another stunner like her. Just when I thought you guys had outdone yourselves with Karina Hart, you proved to me that *Voluptuous* magazine is the forerunner for the BEST magazine about big tits. Keep up the amazing work and you'll keep a horny boob-hound like me happy forever and ever.—G.G., Denver, Colorado

Dear *Voluptuous*,

Two words for you that describe perfection: Renee Ross. Wow! You guys have definitely done it again with this blonde bombshell. I think I am in love. I had to go and pick up an extra copy of the Oct. '09 issue because of Renee's, "come fuck me" look on page 47 when she is tweaking her delicious nipples and lifting those heavy J-cup hangers. She is now officially my favorite V-girl of all time. Where can I see more of her? Does she have any DVDs out yet? Let me know where I can get my hands (and my cock) on this outrageous newcomer.—F.P.D., Tucson Arizona

Dear Christian, G.G and F.P.D.: We agree that Renee is one of the most-exciting newcomers to grace the pages of *V-mag* in a while. You can see more of this stacked siren in the Dec. '09 issue of *V-mag* (available on page 10) and in her debut solo DVD, *Tits Tits Tits!*. You can also check her out in a raunchy all-girl orgy in *Sex In The Titties*. Both DVDs are available on page 9.

GLAD TO SEE YOU'RE BACK ON YOUR A-GAME!

Dear *Voluptuous*,

After a disappointing July '09 issue, I'm glad to see that you are back on top form with the August '09 issue. I like the decision to move the hardcore pictorials into the main mag and drop the XXX supplement. And there are several very good sets and models in this issue, too. Thanks guys.—I.N., via the Internet

JESSICA TAYLOR

Continued from page 36

V-MAG: So what other non-girly things are you into, Jessica?

Jessica: Oh, wow. I can't believe that I am going to tell you this, but on my days off, I play World of Warcraft.

V-MAG: Like the videogame?

Jessica: [Laughs.] Yes. I absolutely love videogames. I play all the time.

V-MAG: You're a nerd, too? What? You're a busty, hot, red-headed nerd?

Jessica: [Laughs.] I am. I am so into World of Warcraft. I love role-playing games like that. I play online.

V-MAG: Are you a guy in a woman's body? Tell us the truth, Jessica?

Jessica: [Laughs.] I guess I am into guy things but I just happen to look the way I do. I can't help being a nerd. I was raised to be really Tom boyish.

V-MAG: And when you are out and about, what do you wear?

Jessica: I am really laid back. I love wearing jeans and a T-shirt and being comfortable. I used to get teased a lot for having big boobs, so I don't flaunt them all that much.

V-MAG: Is there ever a time when you try to be girly or dress up?

Jessica: Um, sometimes. Maybe when I am dancing or if I am out on a date.

V-MAG: Do you date a lot?

Jessica: Um, I would say yes, I do. I have lots of funny dating stories.

V-MAG: Okay, lay one on us.

Jessica: Um, I once flew up to a completely different state to meet a guy I had been flirting online with playing World of Warcraft.

V-MAG: How did that go for you? Did he know what you looked like before you went up to see him?

Jessica: Yes, we had exchanged a few photos before we met.

V-MAG: We're sure he was very happy with you in person. You're hot.

Jessica: [Laughs.] Yeah, he was. I have to admit, the sex was great.

V-MAG: Jessica, you are giving gamers and nerds everywhere hope that there are big-busted, hot nerd girls online, just waiting for them to connect with who will fly to their state and have great sex with them. You have to know that you're pretty much a hero to the gaming community right now.

Jessica: [Laughs.] What can I say? I am not shallow or about a guy having to be hot so I like him. I am into guys

who make me laugh and are into the same things that I am into.

V-MAG: How did you find us, Jessica?

Jessica: A friend of mine that lived in Florida before told me about the magazine and I called and sent my picture in and 48-hours later, here I am. It happened pretty quickly, actually.

V-MAG: So you have never shot for anyone before, ever?

Jessica: Nope. This is my first time.

V-MAG: Was it nerve-racking for you?

Jessica: Not really. I mean, I dance, so it wasn't that bad because I am comfortable with my body and being naked. It's actually kind of fun.

V-MAG: You have very nice, long hair, Jessica. Do guys tell you that?

Jessica: Yeah, I get that a lot.

V-MAG: Are you a natural redhead?

Jessica: You know what? I have never dyed my hair. Not a lot of women can say that, especially redheads.

V-MAG: And it's nice and long.

Jessica: Usually I just have it up in a ponytail, though. I mean, when I work and when I play sports.

V-MAG: So you're a construction worker, dancer and now you're a sports star. What kind of sports do you play?

Jessica: [Laughs.] I play basketball and softball. I play first base. Sometimes I ride horses, too. I'm pretty active.

V-MAG: So, when you are doing all these exercises and playing sports, do your boobs pop out of your top at all?

Jessica: I wear a lot of sports bras. When I was in high school, I used to actually tape them down to play.

V-MAG: Tape them down? That sounds pretty painful to us.

Jessica: It wasn't so bad, actually.

V-MAG: Okay, we are going to take this moment to erase the image of you taping your tatas down out of our heads by asking you to describe what you wear on stage when you dance.

Jessica: [Laughs.] I usually wear a lot of 80's rock inspired outfits. Lots of mesh and leather two pieces. And high heels and leg warmers.

V-MAG: That's sexy. We can get into that. What do you like to dance to?

Jessica: I am a big fan of 80's rock.

V-MAG: What do you say to the fans who will come and see you dance and shake all of that boobflesh on stage?

Jessica: Come up to the stage, get a better look and don't forget to tip.

V-MAG: And when you give a lap-dance, do you give guys boob love?

in the face with my tits pretty hard.

V-MAG: Trust me, they don't mind. Are you aggressive in the bedroom, too?

Jessica: Um, sometimes, it depends. Sometimes I want to be taken and have a guy fuck me. But sometimes I like to be in charge. I am more of a giver, though. For me, I get off more on getting my partner off.

V-MAG: Are your nipples very sensitive? Do you like to have them played with during sex?

Jessica: I like to have them pulled and sucked on a little bit, too. What I would really like from a guy during sex, though, is a boob massage.

V-MAG: Wait...no guy has ever massaged your beautiful tits before?

Jessica: Not yet. For some strange reason, guys don't spend enough time touching, massaging and kneading my boobs. And I like the way it feels.

V-MAG: We're going to apologize to you on behalf of those stupid, stupid men and say to you that there are multitudes of our readers who would drop everything that they are doing right now to touch and massage your tits. Tell us how you want to be touched.

Jessica: I want my tits to be lotioned up and then kneaded and squeezed. I want a guy to use both of his hands and rub them until I'm moaning. Maybe both of his hands on one tit and then the other. I just like them to be manhandled and no guy has ever really been into doing that before.

V-MAG: It's just shocking to us. How long of a massage is this fantasy massage of yours, Jessica?

Jessica: Maybe, like, um...15 minutes? Maybe longer, depending on if I am tired or not. Maybe just a quickie.

V-MAG: Does it have to lead to sex?

Jessica: No, maybe just rub them for a while until I fall asleep?

V-MAG: Wow! On that note, the studio staff is telling us you have to go, but we are going to send out a plea to big boob men everywhere before you go. PLEASE RUB JESSICA'S TITS!

Jessica: [Laughs.] Thanks! I appreciate that very much.

V-MAG: Jessica, thank you for sitting with us today, you are a doll and we hope for nothing but long, sensual tit rubs and great things for you.

Jessica: Aww thank you so much.

V-MAG: Good luck and if you want us to, afterwards we will rub your tits.

Jessica: [Laughs.] Thank you for the offer! Voluptuous mag rules!

Aileen Chettman

Aileen is built for some serious pounding and that's exactly what she likes to happen when she sees a man who she thinks can work her hungry pussy until she cums. "I think that men who like big tits know how to fuck a woman with big tits. So if I connect with someone and I catch them looking at my breasts, I know he can fuck me and touch me the right way so I feel really good."

But Aileen isn't greedy. She knows that the road to great sex starts with a hot blow job and that's fine by her because she loves to play the meat organ. "Blow jobs are my specialty. I like to suck on a man's dick until he practically begs to put it in my wet pussy." Hell yeah!

Fantasies: "I want to be tied up and then fucked by two men who take turns fucking and spanking me really hard."

And when you fuck Aileen, she wants to see the fruits of your labor, so don't go wasting a drop of that hot cum. Aileen wants it all...over her tits. "I think that the best way to end a hot fuck is to have a man shoot his load all over my tits. I don't mind if he wants to do a bunch of positions before that, because that turns me on. We can do it doggie-style, missionary and I like it when a man straddles me and sticks his cock in between my tits, too. But when he's ready to go, he can coat my boobs with cum!"
